

Ufenau wins the Real Deals “Continental Regional House of the Year” Award

Pfaeffikon, 21 April 2023

Dear Investors, Business Partners and Friends of Ufenau Capital Partners,

We are delighted to announce that Ufenau Capital Partners has been recognised as “**Continental Regional House of the Year**” at the Real Deals Private Equity Awards 2023.

Established in 2001, the Private Equity Awards are the longest running and most prestigious awards for the private equity industry and its advisors in Europe. The awards are presented once a year at a formal ceremony in London.

After having received the “DACH Deal of the Year” Award in 2022 for the successful exit of Swiss IT Security, this award is further testimony to Ufenau’s distinctive investment approach of building market-leading companies with pre-defined buy-&-build strategies.

Ralf Flore, Managing Partner of Ufenau, commented: “2022 has been another landmark year for our organisation driven by more than EUR 1.6bn raised, close to 70 transactions executed, and two additional exits generating an average money multiple of 7.0x . Furthermore, we have been broadening our European presence over the last two years with new offices in Madrid, Amsterdam and Luxembourg. Overall, Ufenau has now made close to 300 acquisitions in total. It is a tremendous honour to receive this award, as a recognition of these key achievements. I would like to thank all of those who were involved, and especially our loyal investor base, our management teams, advisors and the entire Ufenau team.”

Kind regards,
The Ufenau Team
