We are delighted to announce, that Ufenau has been ranked again among the top 20 firms which generated the best performance in the small-cap buyout segment globally. This is evidenced by the recently published study by "HEC Paris - DowJones Small-Cap Buyout Performance Ranking" which, among other things, evaluated the overall performance of companies based on all their buyout funds raised between 2009 and 2018.

Ufenau was globally ranked number 11 with a win of 4 places from prior year when it ranked on place 15. In addition to this top ranking, Ufenau has recently received the "Continental Regional House of the Year" Award at the Real Deals Private Equity Awards 2023 and was awarded Best PE House of the Year in 2022.

Ralf Flore, Managing Partner of Ufenau, commented: "These recent recognitions are further testimony of our hard and diligent work over the past decade to build market-leading companies with our distinctive investment approach.
