

Ufenau Expands Presence with New London Office

Dear Investors,
Partners and Friends of Ufenau Capital Partners,

Pfäffikon (CH), April 10, 2024

We are thrilled to announce the opening of our newest office in London, marking a strategic expansion into the UK market. This move further enhances our regional stronghold in German-speaking Europe, Iberia, Poland, and the Benelux region. **Peter Eckersley is heading the office and will lead Ufenau's development across the UK.**

Ufenau has already been active in the UK market over the last few years via acquisitions for the portfolio companies Kanalservice Group, Intelligent Repair Solutions, and EAV Group, all of which are headquartered in the DACH region. Through our UK presence, we aim to further expand our existing portfolio companies into the region and support local entrepreneurs in achieving significant growth through Buy-&-Build strategies.

Leading the charge in the UK is Investment Director, Peter Eckersley. Peter benefits from more than 12 years experience in the Private Equity and M&A Advisory sectors. He joins from Sovereign Capital Partners where he specifically focused on services companies throughout the UK. Peter's appointment reinforces Ufenau's commitment to its distinctive Buy-&-Build strategy.

Ralf Flore, Managing Partner at Ufenau, says: "We are delighted to welcome Peter to the team. The UK market offers a diverse range of investment opportunities aligning with Ufenau's focus, providing an ideal environment for diversification and expansion, further enhancing the resilience and stability of our investment portfolio."

Peter Eckersley adds: "Ufenau boasts an impressive track record and is positioned as one of the fastest-growing and successful Private Equity houses in Europe. I am excited to collaborate with the team and contribute to accelerating Ufenau's growth strategy, pushing the boundaries of success in the UK market."

Including the London office, Ufenau now operates six offices across Europe; its headquarters in Pfäffikon (Switzerland), plus Madrid, Amsterdam, Luxembourg, and Warsaw, and has expanded its team to over 50 professionals.

Kind regards,

Your Ufenau Team
